## Post-War Christmas in Poole

Penelope Lovesy 20/12/2020 12:00:16

The Regent Cinema stood in Poole High St from 1926 to 1968. This photo from Poole Museum's collection shows a very grand "Santa Sleigh". It can be dated by the film on show in the cinema. "I Love Trouble" starring Franchot Tone and Janet Blair was made in 1948.
