# Museum subscription

If you like our workshops and other resources and activities you might benefit from subscribing. Subscription offers a flexible and cost effective way to pay for workshops and make the most of the museum service.

There are two levels of subscription available:

## Silver

You pay just £2 per pupil (costs can be spread across the year) and receive discounts on all our activities and services.

## Gold

You pay £5 per pupil (costs can be spread across the year). Many services and activities are free to Gold subscribers and our workshop costs are substantially reduced.

All maintained Poole Schools are automatically Gold subscribers.
