Object boxes

There's something special about holding a real historical artefact, something that someone used hundreds, even thousands of years ago. We can provide that tactile link to history through one of our object boxes.

Boxes cost £40 to hire for up to half a term. Please [email us](#) to discuss your requirements and for booking.

For ideas on how to use objects in the classroom to explore themes across the curriculum why not book a place on our 'Using Objects in the Classroom' [twilight inset](#)? Booking includes a free object box hire. For more information, dates and booking please [enquire](#).
