Our mission

Our mission is simple: to support the activities, collections and development of Poole Museums. The Foundation will accomplish this goal by supporting the Museums in displaying its historic collections and buildings and by encouraging the advancement of public appreciation and education in arts, culture, history, heritage and science.

Our history

Poole Museum Foundation was created in early 2017 to support the needs of Poole Museums and we've consistently grown since then, all thanks to the generosity of our amazing seaside community! Join today and be part of our history tomorrow.
