Activities for young visitors

We run a programme of free family activities during school holidays. These are based on a different theme for each holiday period, so there are lots of different things to do throughout the year. Previous sessions have focused on:

- › [Pirates](#)
- › [The Iron Age](#)
- › [Bugs and insects](#)
- › [Halloween](#)

Activities can include 'make and take', art work, trails and competitions.

Look out for our ticketed events for families such as storytelling and Museum Music and Mime.
